LOCAL DENTIST BRINGS WINNING SMILES TO KIDS!

Dr. Judson A. Werner, DDS PS provides 14th year of free dental care to Club kids!

BELLEVUE, WA – Last week, Bellevue dentist Dr. Judson A. Werner , DDS PS and Boys & Girls Clubs of Bellevue celebrated their 14th annual “Give Kids a Smile” Day, a volunteer initiative providing free education, preventative and restorative services to children from low income families.

This year, Dr. Werner and his staff provided more than \$6,000 worth of dental care to 19 kids that included free cleanings, exams, fluoride and fillings. For some kids, annual dental visits would not be possible without this essential partnership with Dr. Werner. Boys & Girls Clubs of Bellevue is grateful to have a community partner who not only provides health services to those in needs but also takes the time to develop meaningful relationships.

“Dr. Werner’s longevity with us is critical to our kids; because of his continued involvement, families have long-term access to health services that would otherwise be unavailable. We are so grateful for his partnership” said Kathy Haggart, President/CEO of Boys & Girls Clubs of Bellevue.

Since this partnership began in 2004, Dr. Werner has enjoyed the same experience of long-time Club staff; the chance to watch kids grow from year-to-year and see them move toward responsible adulthood. “Kids who attended the first “Give Kids a Smile” day have now graduated from high school and have carried their great smiles with them” said Kathy.

Dr. Werner’s office is located in NW Bellevue, for more information about his services, please visit: www.wernerdds.com.

ABOUT BOYS & GIRLS CLUBS OF BELLEVUE

Founded in 1952, Boys & Girls Clubs of Bellevue serves more than 11,000 members and families through 13 Clubhouses located in Bellevue. BGCB provides a safe, fun place that encourages kids to choose healthy lifestyles, get involved in their communities and achieve academic success. The Club's mission is to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.
