Remote Learning Full Day Program

Boys and Girls Clubs of Bellevue staff are committed to providing remote learning support. We strongly encourage each member to complete an ROI (release of information) with the school district so that our team can better support your student while remote learning at the club. Members will be supported with their online learning and have the opportunity to participate in fitness, arts and crafts, science, and technology.

Club Rules:

Respect Yourself, Respect Others, Respect the Club, and Have Fun!

Covid-19 Procedures

Members will be asked daily questions related to health and temperatures will be taken. Members must be accompanied by adults to answer questions about the health of the member. If a temperature is taken of the member that is higher than 100.4 degrees or any questions are answered that causes concern to the health/wellness of the member, all members of the family must refrain from attending camp for the day. Temperatures will be taken throughout the day. If a member has a temperature higher than 100.4 degrees, that member and all family members must be picked up as soon as possible.

Members are required to wash their hands at regular intervals and must maintain good social distancing of at least 6 feet apart. Members 5 years of age and older are required to wear face coverings to be admitted to the building. The Club will not be providing face coverings.

On Behalf of Our Staff: We hope you and your family enjoy your time at the Club. Please do not hesitate to contact your director if you have any questions or concerns.
Payments
Payments are due 1 week prior to the program start date. For example, payments for week 1 of Remote Learning (September 8-11) are due Monday, August 31st. If there is a waitlist for your program and you have not paid 1 week prior, you will be asked to forfeit your spot in that program.

Attendance Policy
If your child does not attend the club on the first day without notice to the Director, they will be dropped from the program. If you know your child will be unable to attend on any day, will be late, or need to leave early, please contact the Camp Director.

Scholarship Information
Scholarships are available and must be renewed each year. The Club also has payment contracts available.

Refund Policy
Payments are due one week prior to the start date. If you withdraw anytime after payment is made and before the program starts, you will be given a 50% refund. Membership fees are non-refundable. If the week of the program has already begun, there is no refund.

Guidance & Discipline Policy
Discipline will be based on an understanding of the youth’s needs, encouraging the development of self-control, appropriate behavior, and respect for the rights of others. The staff will listen to each child and treat him/her with respect and fairness. The staff will use problem solving, alternative activities and appropriate consequences to deal with inappropriate behavior.

The staff uses positive guidance techniques: redirection, anticipation, and elimination of potential problems, positive reinforcement, and encouragement. In addition, children are given consistent, clear rules and expectations for the Club.

The staff will work with you, the parents, to establish open communication and to solve a child’s behavior problems. The Director is always available for parent conferences. Parental support is always appreciated by the staff as follow up at home may be necessary to help change a child’s behavior.

Serious Discipline Incidents
A serious discipline problem is defined as one in which the Director determines that a child is engaging in inappropriate behavior. This includes, but is not limited to, inflicting physical or emotional harm on self or others (including bullying), destroying property, disrupting the facility and/or program, and/or failure to respond to regular discipline.

If serious discipline occurs the BGCB reserves the right to suspend or terminate a child’s enrollment due to any of the actions above.
