Independent Auditor's Report

The Board of Directors
Boys and Girls Clubs of Bellevue
Bellevue, Washington

Opinion

We have audited the financial statements of Boys and Girls Clubs of Bellevue (the Club), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Club as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Club and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Club's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance

with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

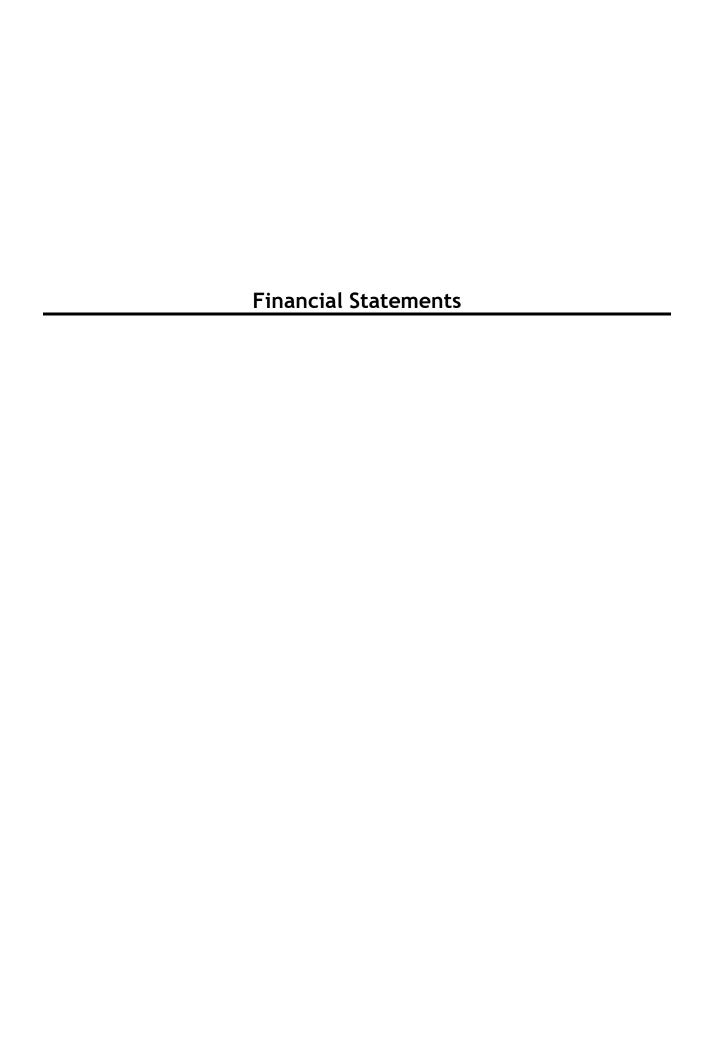

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Club's internal control. Accordingly, no
 such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Club's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

BDO USA, P.C.

Notes to Financial Statements

1. Organization and Summary of Significant Accounting Policies

Operations

Boys and Girls Clubs of Bellevue (the Club) is an independent nonprofit corporation organized to provide recreational, athletic, social, and cultural programs for young people and is affiliated with Boys and Girls Clubs of America. The Club also operates preschool and after-school education programs for youth, and auxiliary classes for parents of members and adults. The Club is located in Bellevue, Washington, and is primarily supported by public and governmental support and service fees.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The Club reports information regarding its financial position and activities according to two classes of net assets: with donor restrictions and without donor restrictions. Contributions that are received are recorded depending on the existence and/or nature of any donor restrictions.

Net Assets with Donor Restrictions

Net assets with donor restrictions are subject to donor-imposed stipulations that may or will be met, either by actions of the Club and/or the passage of time. Support received subject to a donor-imposed time restriction or stipulation for a particular purpose is reclassified to net assets without donor restrictions when donor's time restrictions expire or when the donor's program restrictions are satisfied. In the case of support restricted to acquire long-lived assets, net assets are reclassified to net assets without donor restrictions when the asset is placed into service. Net assets with donor restrictions consist of the following:

December 31,	2024	2023
Net Assets with Purpose or Time Restrictions		
Summer camp scholarships	\$ 85,000	\$ 75,000
Time-restricted promises to give for operations	-	60,857
Other purpose-restricted funds	267,744	198,500
Other time restricted funds	196,556	115,425
	549,300	449,782
Net Assets with Endowment Restrictions		
Perpetual endowment restrictions	1,000,000	-
Unappropriated endowment earnings	43,747	
	1,043,747	-
Total Net Assets with Donor Restrictions	\$ 1,593,047	\$ 449,782

Cash and Cash Equivalents

Cash and cash equivalents consist of general checking, savings, and money market accounts. The Club maintains cash and cash equivalents in bank accounts that exceed federally insured limits at times during the year. The Club has not experienced any losses in these accounts, and management does not believe it is exposed to any significant risk.

Notes to Financial Statements

Restricted Cash

Restricted cash is not available to meet general expenditures and is restricted by donors to be used to pay down the Club's debt on the Lake Hills Teen Center.

Cash, cash equivalents, and restricted cash consist of the following:

Year ended December 31,	2024	2023
Cash and cash equivalents Restricted cash	\$ 1,851,621 789	\$ 757,684 11,789
Total Cash, Cash Equivalents, and Restricted Cash, shown in the statements of cash flows	\$ 1,852,410	\$ 769,473

Fair Value Measurements

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. There are three levels that prioritize the inputs used in measuring fair value as follows:

Level 1 - This level consists of observable market inputs, such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - This level consists of observable market inputs, other than quoted prices in active markets, that are observable either directly or indirectly.

Level 3 - This level consists of unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

An asset or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Investments are stated at fair value in these financial statements.

Investments and Investment Income

The Club reports its investments at fair value (using Level 1 inputs in the fair value hierarchy). The fair value of exchange-traded funds is based on quoted prices in active markets. The Club also holds U.S. Treasuries (maturing between 2025 and 2054), which are fixed-income securities issued by the United States Department of the Treasury, and are reported at fair value, based on quoted prices in active markets. The fair value of mutual funds is based on the daily closing price as reported by the funds. Mutual funds held by the Club are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publicize their daily net asset value and to transact at that price. The mutual funds held by the Club are deemed to be actively traded.

Investment return is reported in the statements of activities and consists of interest and dividend income, and realized and unrealized gains and losses, less investment expenses. Investment income (including gains and losses) is reported as increases or decreases in net assets without donor restrictions unless a donor restricts use.

Notes to Financial Statements

Cash and investments held for the endowment are classified as long-term assets as they are to be held in perpetuity.

Accounts and Grants Receivable

Receivables are stated at their net realizable value and consist of amounts due from government agencies, corporations, and individuals. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance for credit losses based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance for credit losses and a credit to accounts or grants receivable. In determining whether to record an allowance for credit losses, the Club considers that receivables are with government agencies, corporations, and individuals, where there is a minimal risk of nonrepayment. Management determined that no allowance for credit losses was necessary at December 31, 2024 and 2023.

Promises to Give

Unconditional promises to give are stated at net realizable value. In accordance with financial accounting standards, unconditional promises to give are recognized as support in the period the pledge is received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. No promises to give were uncollected at December 31, 2024. At December 31, 2023, one donor accounted for 100% of total combined promises to give. There is no allowance for promises to give as of December 31, 2024 or 2023.

Property and Equipment

Property and equipment are stated at cost for purchased assets or at fair value on the date of donation for donated assets. Property and equipment that exceed \$1,000 are capitalized as assets. Depreciation is provided using the straight-line method over the estimated useful life. Leasehold improvements are amortized over the shorter of the life of the asset or the lease term. The costs of repairs and maintenance are expensed as incurred.

The estimated useful lives of property and equipment are as follows:

	Estimated Useful Lives (Years)
Land improvements	5-15
Buildings and improvements	40
Furniture and equipment	3-5
Vehicles	5
Leasehold improvements	Shorter of lease term or useful life

Gifts of equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Notes to Financial Statements

Income Taxes

The Internal Revenue Service has recognized the Club as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code (IRC) as an entity described in Section 501(c)(3) and not as a private foundation. In addition, the Club has obtained property tax exemption from the state of Washington.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses

The financial statements report certain categories of expenses that are attributed to both programs and supporting functions. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Salaries and related expenses, program supplies, in-kind expenses, special events, bank fees, and interest expense are allocated based on an actual cost basis along with estimates of time and effort. Maintenance and supplies, and telephone and utilities are allocated based on square footage. Postage and printing, insurance, miscellaneous, and depreciation are allocated based on an actual cost basis.

Revenue Recognition

Program Service Fees

The Club recognizes program service fees under the core principle that an organization should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the organization expects to be entitled in exchange for those goods or services. The Club only applies the five-step model to contracts when it is probable that the Club will collect the consideration it is entitled to in exchange for the goods and services transferred to the customer. The following five steps are applied to achieve that core principle:

- Step 1 Identify the contract with the customer.
- Step 2 Identify the performance obligations in the contract.
- Step 3 Determine the transaction price.
- Step 4 Allocate the transaction price to the performance obligations in the contract.
- Step 5 Recognize revenue when the organization satisfies a performance obligation.

The Club's performance obligations are satisfied over time as program services are performed. Most services are performed over a one to three-month time period depending on the type of program offered. Revenue is recorded ratably over the service period. Fees for programs are billed in advance. All payments received prior to the program are deferred and recognized as the program takes place. The Club's contracts have a single performance obligation, with no significant judgments affecting the determination of amount and timing of revenue.

Notes to Financial Statements

Program fees are determined based on a fee schedule for each type of program. Scholarships are provided for up to 100% of the program fee to participants who meet certain eligibly criteria, including families experiencing homelessness, children in foster care, and families with low incomes. Scholarships are netted against program services fees revenue on the statements of activities. The Club provides scholarships for every fee-based program it offers. For the years ended December 31, 2024 and 2023, the Club provided \$1,873,751 and \$1,374,589, respectively, in scholarships for after-school, summer, and athletic programs. Included in scholarships for the years ended December 31, 2024 and 2023 is \$275,875 and \$172,375, respectively, in subsidized programming provided through the Club's three sites located in public housing complexes in Bellevue.

As of December 31, 2024, the Club recorded a contract liability related to the deferred portion of program revenues of \$132,895. As of December 31, 2023, the Club recorded a contract liability related to the deferred portion of program revenues of \$142,385.

Grants and Contributions

Contributions and grants are recorded when unconditionally pledged as with or without donor restriction, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the year in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When restrictions expire—that is, when a stipulated time restriction ends, or purpose restriction is accomplished—net assets with donor restrictions are reclassified to net assets without donor restrictions and reported as net assets released from restrictions.

Revenue from government grants and contracts is recorded when the conditions are met, which is generally at the time the qualified expenditure is incurred. At December 31, 2024, the Club has conditional awards outstanding of \$368,914.

Donated Goods and Services

Donated goods and services are recorded as contributions at their estimated fair value at the date of receipt. In accordance with GAAP, the financial statements reflect only those contributed services requiring specific expertise or that are for constructing a fixed asset, which the Club would otherwise need to purchase. Contributed services are recorded at rates that would have been paid for similar services in an arm's length transaction. Management estimates that during the years ended December 31, 2024 and 2023, 400 and 385 volunteers donated in excess of 3,100 and 5,625 hours (unaudited), respectively, of their time in the Club's program services and in its fundraising programs. The value of this donated time is not reflected in these financial statements because the criteria for recognition under GAAP have not been satisfied.

Notes to Financial Statements

Donated goods and services recognized in these financial statements are as follows:

December 31,	2024	2023
Goods	\$ 141,099	\$ 213,273
Lease	56,240	-
Services	1,550	1,140
Total Donated Goods and Services	\$ 198,889	\$ 214,413

Donated goods and services for the years ended December 31, 2024 and 2023 were composed of legal services, dental services, leased space, food, technology devices, sporting event tickets, and goods to support the Club's program services and fundraising programs.

Leases

The Club determines if an arrangement is a lease at inception. Assets and obligations related to finance leases are included in finance lease right-of-use (ROU) assets; finance lease liabilities, current portion; and finance lease liabilities, net of current portion in the statements of financial position.

ROU assets represent the Club's right to use an underlying asset for the lease term and lease liabilities represent the Club's obligation to make lease payments arising from the lease. Finance lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of the lease payments over the lease term. As the Club's leases do not provide an implicit rate, the discount rate based on the information available at the commencement date is used in determining the present value of the lease payments. Certain lease terms may include options to extend or terminate the lease, and these are included when it is reasonably certain that the Club will exercise those options.

The Club's agreements with lease and non-lease components are all accounted for as a single lease component. For leases with an initial term of 12 months or less, the Club elected the exemption from recording ROU assets and lease liabilities for all leases that qualify, and records rent expense on a straight-line basis over the lease term.

Certain leases may include variable payments, which may vary based upon changes in facts or circumstances after the start of the lease. The Club excludes variable payments from lease ROU assets and lease liabilities to the extent not considered fixed, and instead expenses as incurred. Variable lease costs for the year ended December 31, 2024, are immaterial.

Reclassifications

Certain items from the prior-year financial statements have been reclassified to conform to the current-year presentation. These reclassifications had no impact on net assets or changes to net assets previously reported.

Subsequent Events

The Club has evaluated subsequent events through the date these financial statements were available to be issued, which was May 20, 2025.

Notes to Financial Statements

2. Liquidity and Availability of Resources

The Club strives to maintain liquid financial assets sufficient to cover six months of general expenditures. Financial assets in excess of daily cash requirements are invested in certificates of deposit, money market funds, and other short-term investments.

The following table reflects the Club's financial assets as of December 31, 2024 and 2023, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of contractual or donor restrictions. Amounts not available include restricted cash and cash equivalents and net assets with donor restrictions. Management intends to use the cash held for the capital campaign and the capital campaign promises to give, as they are collected, to pay down the existing long-term debt.

December 31,	2024	2023
Financial Assets Cash and cash equivalents Receivables and promises to give Endowment investments	\$ 1,852,410 540,084 1,043,747	\$ 769,473 1,895,789 -
Total Financial Assets	3,436,241	2,665,262
Less: cash held for capital campaign Less: net assets with restrictions	(789) (1,593,047)	(11,789) (449,782)
Financial Assets Available to Meet Cash Needs for General Expenditures Within One Year	\$ 1,842,405	\$ 2,203,691

3. Prepaid Facility Use

In 2004, the Club entered into a 30-year joint operating agreement with the City of Bellevue (the City) for the operation of the South Bellevue Community Center. The Club paid approximately \$1.5 million to the City during the construction of the approximately \$13 million facility. The amounts were capitalized as an operating ROU asset. The City is the sole owner of the property; however, the Club will receive use of the facilities for its programs for a 30-year term, which began in January 2006, with the option of two five-year extensions. The Club is responsible for all costs associated with its program areas. The Club recognized \$50,000 of lease expense for both the years ended December 31, 2024 and 2023, based on a 30-year amortization period.

In 2013, the Club entered into a second 50-year joint operating agreement and ground lease with the City for the operation of the Hidden Valley Sports Park. In 2015, the Club paid the final installments as specified by the joint operating agreement totaling approximately \$2.5 million. The amounts were capitalized as an operating ROU asset. The City is the sole owner of the property; however, the Club received a ground lease for the use of the property for its programs for a 50-year term beginning in April 2013, with the option of two ten-year extensions. The Club recognized \$51,078 of lease expense for both the years ended December 31, 2024 and 2023, based on a 50-year amortization period, which commenced upon completion of the project in 2015.

As part of the Hidden Valley joint operating agreement, the Club must provide the City with exclusive and priority rights to a minimum of 70 court hours per week for City-sponsored programs and activities. The Club is responsible for all costs associated with its program areas.

Notes to Financial Statements

4. Promises to Give

All pledges recorded at December 31, 2024 and 2023 are classified on the statement of financial position based on when they are expected to be collected. There were no promises to give as of December 31, 2024.

5. Investments

Investments are reported in the statements of financial position as Endowment Investments. Investments consist of the following:

December 31,	2024	2023
Cash and cash equivalents	\$ 8,417	\$ -
Fixed income	747,171	-
Equities	29,448	-
Exchange-traded funds	258,711	-
	\$ 1,043,747	\$ -

Net investment income is reported in the statements of activities as return on cash and investments. Net investment income consists of the following:

December 31,	2024	2023
Realized and unrealized gains Interest and dividends	\$ 14,975 60,179	\$ - 11,958
	\$ 75,154	\$ 11,958

6. Property and Equipment

A summary of property and equipment is as follows:

December 31,	2024	2023
Land and land improvements	\$ 1,512,057	\$ 1,463,454
Buildings and improvements	22,581,069	19,776,935
Furniture and equipment	424,063	442,645
Vehicles	142,499	142,499
Leasehold improvements	22,931	-
	24,682,619	21,825,533
Less: accumulated depreciation	(5,909,305)	(5,194,540)
	18,773,314	16,630,993
Construction in progress	7,765	2,777,255
Property and Equipment, Net	\$ 18,781,079	\$ 19,408,248

Construction in progress at December 31, 2024 related to technology. Construction in progress during the year ended December 31, 2023 related to the Lake Hills Teen Center. Renovation and construction began in 2022 and was completed in 2024.

Notes to Financial Statements

7. Long-Term Debt

In May 2020, the Club received a loan under the Small Business Administration's (SBA) Economic Injury Disaster Loan (EIDL) totaling \$160,000. The proceeds from the note were used to retain staff. The note incurred interest of 2.75% and was unsecured. Monthly principal and interest payments of \$641 are due until maturity in May 2050. A portion of the loan (\$10,000) was forgiven during 2021. The balance outstanding on the note as of December 31, 2024 and 2023 was \$136,255 and \$140,142, respectively.

In June 2022, the Club opened a \$250,000 line of credit with a bank. The interest rate is 2.00% plus the prime rate. There were no borrowings on the line of credit during the years ended December 31, 2024 or 2023.

In June 2023, the Club issued a construction note payable with a maximum principal balance of \$950,000 to a bank bearing an interest rate of the prime rate plus 1%. A lump-sum payment of the outstanding balance was due at maturity in June 2024. The note was secured by property at 15228 Lake Hills Blvd. Bellevue, Washington. The note was paid in full in June 2024 for the outstanding principal balance of \$949,568. Interest on this note was capitalized into the value of the building prior to being placed in service.

The construction note payable was paid through the use of cash, as well as four private individual notes, from current board members, in the amount of \$150,000 each, for a total of \$600,000. Each note has a maturity date of June 1, 2025, with an interest rate of 5%. Subsequent to year end the Club extended the due date of three of the loans through June 1, 2026, and is in the process of receiving forgiveness on the fourth loan.

Long-term debt consists of the following:

December 31,		2024	2023
SBA EIDL loan	\$	136,255 \$	140,142
Lake Hills Note 1	•	150,000	, <u>-</u>
Lake Hills Note 2		150,000	-
Lake Hills Note 3		150,000	-
Lake Hills Note 4		150,000	-
Construction note payable		-	949,568
		736,255	1,089,710
Less: current portion		(153,995)	(953,455)
Long-Term Debt, net of current portion	\$	582,260 \$	136,255

Notes to Financial Statements

Scheduled minimum principal payments for long-term debt are as follows:

Year ending December 31,	
2025	\$ 153,995
2026	454,106
2027	4,221
2028	4,338
2029	4,459
Thereafter	115,136
	\$ 736,255

8. Finance Leases

The Club has entered into a long-term lease for office copiers. The lease of the copiers began in 2022 and will continue for 63 months. The Club has not included options to extend or terminate the lease in the calculation of ROU assets or lease liabilities as it is not reasonably certain that the Club will exercise these options.

Cash paid for amounts included in the measurement of finance lease liabilities during both the years ended December 31, 2024 and 2023 was \$9,876. Total finance lease cost is comprised of the following:

Year ended December 31,	2024	2023
Amortization of ROU asset Interest on finance lease liability	\$ 9,876 774	\$ 9,876 817
Total Finance Lease Cost	\$ 10,650	\$ 10,693

The weighted-average discount rate at December 31, 2024 is 2%; and the weighted-average remaining lease term is 2.96 years for the finance leases.

Maturities of finance lease liabilities are as follows:

Year ending December 31,	
2025 2026 2027	\$ 9,876 9,876 8,536
	28,288
Less: amount representing interest	(774)
Total Lease Liability	27,514
Less: current portion	(9,428)
Long-Term Portion	\$ 18,086

Notes to Financial Statements

9. Pension Plan

The Club participates in a defined contribution pension plan (the Plan) under IRC Section 403(b) covering all eligible employees with 24 months or more of service. Contributions to the Plan totaled \$275,031 and \$233,350 for the years ended December 31, 2024 and 2023, respectively. Contributions are made at a rate of 10% of the employee's annual salary.

10. 501(c) Agencies Trust Reserve

The Club is a member of the 501(c) Agencies Trust (the Trust). The Trust facilitates the utilization by member agencies using the reimbursement financing method of meeting obligations under State Unemployment Insurance Statutes. At December 31, 2024 and 2023, the Club had \$48,943 and \$105,918 on deposit with the Trust to fund these obligations, respectively. This deposit is included in prepaid expenses and deposits in the statements of financial position.

11. Endowments

The Club has one endowment fund. The income from endowment funds are restricted for scholarships. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Directors of the Club has interpreted the State of Washington Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Club classifies net assets with perpetual endowment restrictions as (a) the original value of gifts donated to the perpetual endowment, (b) the original value of subsequent gifts to the perpetual endowment, and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with perpetual donor restrictions is classified as unappropriated endowment earnings and included in net assets with donor restrictions until those amounts are appropriated for expenditure by the Club in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Club considers the following factors in making a determination to appropriate or accumulate donor-restricted funds:

- The duration and preservation of the endowment fund.
- The purposes of the Club and the donor-restricted endowment fund.
- General economic conditions.
- The possible effect of inflation or deflation.
- The expected total return from income and the appreciation of investments.
- Other resources of the Club.
- The investment policies of the Club.

Notes to Financial Statements

Endowment net assets are as follows:

	-	With Donor Restrictions						
	t Donor rictions	Unapp	oropriated Earnings		Perpetual		Total	
Total Endowments, December 31, 2024	\$ -	\$	43,747	\$	1,000,000	\$	1,043,747	
Total Endowments, December 31, 2023	\$ -	\$	-	\$	-	\$	-	

Changes to endowment net assets are as follows:

		With Donor Restrictions				-	
	 it Donor crictions	Unappropriated Earnings		• • •			Total

December 31, 2023	\$ -	\$	-	\$	-	\$	-
Corpus investment	-		-		1,000,000		1,000,000
Interest and dividends	-		36,350		-		36,350
Realized and unrealized gains	-		7,397		-		7,397
Endowment Net Assets,							
December 31, 2024	\$ -	\$	43,747	\$	1,000,000	\$	1,043,747

Return Objectives and Risk Parameters

The Club has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed a hypothetical portfolio consisting of a similarly allocated mix of the S&P 500 Index and the Barclays Capital U.S. Aggregate Bond Index.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Club relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Club targets a diversified asset allocation that places a balanced emphasis on fixed-income investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to the Spending Policy

The Club has a policy of appropriating for distribution each year an amount based on the endowment fund's investment income realized over the prior years, while still honoring the investment objectives. In establishing this policy, the Club considered the long-term expected return on its endowment, as the objective is to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term, as well as to provide additional real growth through new gifts and investment return.

Notes to Financial Statements

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Club to retain as a fund of perpetual duration. There were no such deficiencies as of December 31, 2024 or 2023.

12. Commitments

During the year ended December 31, 2015, the Club entered into an agreement with the City in which the City agreed to provide \$1.5 million in funds towards the total cost of the main clubhouse renovation in exchange for future use of the main clubhouse for a period of 30 years after the completion of the main clubhouse renovation, with the option of two five-year extensions. If the Club terminates the agreement, the Club will owe the City a pro-rata share of the funds based on the remaining term of the agreement. The Club believes the likelihood to terminate the agreement is remote; as such, no liability has been recognized in these financial statements as of December 31, 2024. The maximum amount that would be returned to the City is approximately \$1,187,500 at December 31, 2024.
