**CELEBRATING 62 YEARS
AND COUNTING!**

Thank you for joining us at the 48th annual benefit auction. Since 1952, the Boys & Girls Clubs of Bellevue have been here for the young people in our community. For 62 years, the Club has been providing what they need and want most....adults who respect and listen to them in a safe environment where they can have fun!

Bellevue is much different today than it was sixty-two years ago. In fact, it has changed a lot in just a few years! We have a much larger

and more diverse population, which enhances and strengthens the community, but also adds challenges. We are meeting those challenges by striving to be there for every child in our community who needs us, now more than ever!

As a result, we currently provide services to over 13,000 youth! Twenty years ago, we just had the downtown Club you see on the map at the left and we now have 12 Clubhouses throughout Bellevue! Most of the expansion since then has been into East Bellevue where we saw the greatest need for affordable, after school and out-of-school care. We now have three brand new Clubhouses in public housing complexes that were built for us by King County Housing Authority; Eastside Terrace, Spiritwood Manor and Hidden Village. We also have three Clubhouses in schools; Cherry Crest, Bennett and Phantom Lake. We operate Clubs in the City-owned community centers; South Bellevue and Crossroads. In 2010, we opened a “Teen Tech Center for Excellence” on Lake Hills Blvd. and in 2012, we purchased and opened a 10,000 square foot Teen Center next door. We just broke ground on a field house at Hidden Valley park, and we plan to build a new Main Clubhouse in downtown, and open a satellite Club in the St. Thomas Church’s new facility in Medina.

Last year alone, we provided nearly \$700,000 in scholarships to Club members in need as all of our programs for our low-income members living in public housing and our teens are all free. During the auction, you will be asked to contribute to our “Fund-A-Future” that will support our programs in our three public housing sites, low income schools, our programs for teens and our ***BE GREAT: Graduate*** drop-out prevention program! Your generosity will help us inspire and enable young people to realize their full potential. Tonight, you can make tomorrow a better day for our kids.

NEW FIELD HOUSE IN HIDDEN VALLEY PARK “Foster Family Foundation Branch”

In an exciting partnership with the City of Bellevue, the Club is building a new Field House in Hidden Valley Park, under construction now, with completion expected in December. This facility, located just north of the large field, will have three full-size multi-use gyms, offices, a concession stand, classrooms and outdoor decks. The large field will be completely turfed, while the remaining three fields will have turf in-fields and natural outfields. We are thrilled that this fabulous sports facility will be known as the “Foster Family Foundation Branch”. Look for your invitation to the grand opening later!

NEW MAIN CLUB DOWNTOWN BELLEVUE “Jim and Sally Nordstrom Branch”

After serving thousands of kids and families for many years, it is finally time to build a new, state-of-the-art Main Clubhouse in downtown! The new facility will be located just north of the current Clubhouse, allowing us to stay open during construction. This new Club will be around 27,000 square feet with three floors that will include: a preschool on the bottom floor; gamesroom, computer lab, teaching kitchen, gym and offices on the main floor; a space for middle and high school members on the top floor with a games room, internet cafe, and arts and crafts room along with administration offices. There will also be an outdoor play yard and opportunities for additional parking and improved traffic flow. We are thrilled that this new flagship Clubhouse will be known as the “**Jim and Sally Nordstrom Branch!**” The permits have been granted and the architectural drawings completed, so stay tuned for more information in the future regarding our ground-breaking!

GREAT Futures Start Here!
Meet “Youth of the Year” Natasha

Growing up, since my mom left my father when I was five years old, we moved from shelter to shelter but eventually we were blessed with a solid home. After not seeing my father for years, now he’s constantly around, although not in the way I’d hoped for. During my sophomore year, I would come home everyday to yelling, cussing, and bottles breaking. Some nights I would be woken up by a large “thump” and run downstairs with fear to see my father knocked out on the floor, snoring with an empty bottle next to him. Day and night I would wonder, “Why does a teenage girl have to always be worried about her parents - shouldn’t it be the other way around”?

I began to leave the house to hang around particularly older guys to gain protection in a time of instability. One early summer morning, it’s 5 AM, and I couldn’t sleep as I didn’t want to wake up to the usual chaos so I snuck out to go to a party. People I barely knew passed around a bong and I saw one of my friends passed out from shooting up too much heroin, and another two going crazy on crack. Thoughts began to run through my mind, “Why am I here? This isn’t me, and I know this isn’t my future!”

Fast forward a couple of weeks... it’s the first day of school and my best friend is practically begging me to come to this place they called “The Club”; a place where we could get our homework done and join a volunteer group called Keystone to complete community service hours. It turned out that the staff at “The Club” gave me the sense of protection and family that I had such a desire to be a part of. They taught me not only to be a leader, but also to understand the worth of giving back to a community that gave so much to me. Now, not only am I the Vice President of that same group, I am also an apprentice at Microsoft. I will graduate this year and enter college as a Junior with a 3.8 grade point. But most importantly, I’m now working towards my inevitably successful future.

Help Fund - A - Future!

Last year, the Club provided nearly \$700,000 in program scholarships for low-income kids who need our life-saving programs. This is an increase of nearly 100% in the past six years! We believe that reaching more kids who need us the most is at the core of our mission. Tonight, you will have an opportunity to raise your paddle during our “Fund-A-Future” segment. Please know 100% of every dollar raised tonight will go directly to help the Club provide scholarships for our most at-risk or low-income youth. Your generosity tonight can make a huge difference in a child’s future! Someone just like Natasha.....

WE OWE A SPECIAL THANKS TO LIONFISH FOR ALL OF THE EVENT COLLATERAL DESIGNS AND VIDEO PRODUCTION OF THE SPONSOR RECOGNITION AND THE FUND-A-NEED VIDEOS!

THEY HAVE BEEN AN AMAZING IMPACT PARTNER THESE PAST FEW YEARS, DEDICATING THEIR TIME AND TALENTS TOWARD THE CLUB'S MARKETING.

WE ARE PROUD TO ANNOUNCE THAT THE CLUB HAS BEEN AWARDED THE PRESTIGIOUS BRONZE AWARD FOR OUR "COLLABORATIVE MARKETING CAMPAIGN FOR 2013", THANKS TO LIONFISH!

The Bacon Family Foundation *2014 Service To Youth Award*

Each year, the Boys & Girls Clubs of Bellevue present the Boys & Girls Clubs of America's prestigious 'Service To Youth' award at our annual auction/party. The award recipients are chosen for their dedication to the youth and families in our community and for their passion to give back. We are pleased to announce that this year's award recipient is **The Bacon Family Foundation**. This foundation is focused on improving both academics and living conditions for children located in Bellevue where disadvantaged children tend to be overlooked.

Over the years, they have been consistently supporting the programs we offer to the kids who need us most. Their contributions have made it possible for the Club to continue to provide those life-saving services at no cost to our low-income families. One of the sites they have targeted in the past is our new Teen Center that opened two years ago. Formerly the Lake Hills library, "The Club" on Lake Hills Blvd., is strategically located where there are a lot of middle and high school students living in public housing or low income neighborhoods, who need a positive, fun place to go. This center offers kids the chance to take part in a state-of-the art technology center, a new sound-proofed recording studio, cooking classes, dance instruction, concerts, teen feeds and more. Next door is the drop-out prevention center dedicated to keeping teens at grade level and making sure they graduate on-time.

Tony and Alissa Bacon present check at "The Club" opening!

These are just examples of the type of programs that **The Bacon Family Foundation** helps make possible. They are also huge contributors to other non-profit organizations such as United Way, The Bellevue Schools Foundation, Hopelink and holiday food and toy drives.

BE GREAT and Win a Live Auction Item for Only \$100!!!

For only \$100, you may purchase a membership card, and your donation will help better serve the kids who need us most. Not only will you help sponsor an at-risk child, but your membership number might win your choice of any LIVE or ALMOST LIVE auction item, with just 12 exceptions! At the beginning of the LIVE auction, if we draw your winning card number....

Air Combat USA Basic Maneuvers Program

The Basic Fighter Maneuvers course will give you a complete Top Gun experience! Guest Pilots are suited up in flight suits, helmets and parachutes. Then it is off to ground school to learn the tactical maneuvers they will need in air-to-air combat. After the briefing, guest pilots are strapped into the aircraft alongside their instructor for the hands-on portion of the program. Although the instructor will perform the take off and landing, guest pilots will fly the aircraft 90% of the time, while they practice maneuvers and engage in several dogfights. Each dogfight is the chance to maneuver the aircraft into position, then lock on and fire. When a hit registers, smoke will trail from the other aircraft. Video recorded and shot from our four onboard cockpit cameras will be used in the debriefing and will be yours to keep. Participants must weigh less than 250 lbs and be no taller than 6 feet 6 inches.

Value: \$1,500.00

“Be Great Partners” Art Piece

This hand painted Carol Spielman acrylic art piece, titled “Be Great Partners”, is 30 inches by 40 inches on gallery wrapped canvas. Carol was inspired by her neighbors horses as they hung out on a nearby fence all day like best friends. Her style is minimalistic as she deconstructs the horse down to its essence, bringing the horse to life through color and texture. Carol Vincent Spielman is a Montana artist and has painted many subjects but finds herself continually drawn to her first love, horses. Carol has received numerous awards including the Edith Freeman Memorial Award for Outstanding Service to the Arts as well as the Yellowstone Art Museum Artist of the Year.

Custom Breitling 747-8 Chronospace Watch

Made specifically for Boeing, the 747-8 Chronospace on rubber straps is made of high grade stainless steel and is virtually corrosion resistant. The case is pressure resistant to 300 feet and is virtually waterproof. The synthetic sapphire crystal is treated on both sides to be glare resistant. The movement is Swiss Super quartz, proprietary to Breitling timepieces, and has been individually tested to be more accurate within 3 seconds

a month. The display has both analogue and digital read-outs. The watch tells time in four different time-zones (home, departure destination, arrival destination and Greenwich Mean Time). Either the day and date or the date and seconds can be displayed in the lower digital window, and it can also be set to show no digital, making it a handsome traditional time piece. Also features 24 hour countdown timer, two independent audible alarms, a stopwatch/chronograph function accurate to 1/10th of the second, a back-lit display for easy reading in the dark and is powered by a 3-year lithium power cell.
